Dear Shri Rijju,

Hon'ble Prime Minister has launched the Fit India Movement on 29th August, 2019. The CII supports Fit India Movement as it is not only the need of the hour but it offers tremendous business and job opportunities for India.

2. To make Fit India a public movement, you chaired a meeting of stakeholders on 25th September, 2019 at Sports Authority of India Headquarters, New Delhi wherein you solicited partnership for Fit India.

3. We, the CII are happy to become your exclusive lead partner for Fit India Movement and towards this end we offer to set up Fit India Mission office to support the Government. We would provide a team of dedicated professionals and manage the Fit India Mission office for a period of one year from the date of signing of this letter. We expect the Government to provide office space, consumables and travel related support for the dedicated professionals working in the Fit India Mission office.
